MILITARY SPECIFICATION

M551967 & M551968 HEX FINISH NUTS

BGM FASTENER CO., INC. IS PLEASED TO ANNOUNCE M551967 & M551968 HEX FINISH NUTS ARE NOW AVAILABLE AND IN STOCK! NUTS ARE MANUFACTURED DOMESTICALLY & QSLM APPROVED.

BGM and Telefast Industries are producing Grade 5 and Grade 8 Hex Finish Nuts 1/4" diameter through 3/4" diameter to the military standard. The nuts are uniquely marked with the BGM logo, Telefast logo and material grade identification per SAE J995. Our markings assure the product has been manufactured to conform to the military standard.

Each lot of material is inspected, plated to QQ-P-416 Type II Class 2, and re-inspected prior to being certified. Inspection and plating are completed at BGM's IN-HOUSE ISO certified facility.

Product is supplied with certificate of conformance at No Charge.
Full test reports are available for \$50.00.

Call Mike Bancroft EXT. 38 for pricing and availability.
